## Bio and Photo

To get to know you better, please send us a brief bio of yourself and a recent photo or jpeg. Also include some information about your experience with DNA Activations.

## Optional Attendance Considerations

This Special "DNA Activations—World Peace Retreat 2010" provides an unique opportunity to experience all 10 Sacred and Powerful DNA Activations. Never before in North and South America has this Program been offered in its entirety. It is important to understand that each DNA Activation builds upon the previous Activation, therefore, DNA Activations must be performed SEQUENTIALLY.

Some attendees may have already self-performed the first four DNA Activations using the respective Program Kits numbers one thru four. You have the option to get a discount of \$30.00 for each of the first 4 DNA Activations. However, you must demonstrate that you have an order number and purchased receipt for each Program Kit. Arrangements must be finalized during the registration process.

Bear in mind that the DNA Activation Seminars that are performed by Dr. Gerard and Zeljka Roksandic are intense, include Clairvoyant Reads, healings, use more techniques and vibrational movements that are not included within the Kits, and posses extraordinary High Energy from Ascended Masters and the Holy Spirit. And that is worthwhile to experience.
